# A complete list of my services

### Graphic Design

I've designed a wide range of printed and electronic materials, and worked closely with the production team to ensure proper printing. I use professional design software to create my layouts, and I guarantee my files are print-ready the first time.

- ✓ Logos & complete identity packages
- ✓ Brochures, booklets, pamphlets
- ✓ Business cards & stationery
- ✓ Books (interior and covers)
- ✓ Mailers & postcards
- ✓ Posters, banners, table tents
- ✓ Flyers, inserts, spec sheets, price lists
- ✓ Advertisements
- ✓ Catalogs
- ✓ Pocket folders & envelopes
- ✓ Invoices, statements, forms
- ✓ Displays & signage
- ✓ Presentation & video graphics
- ✓ Design consultation

### Illustrations, cartoons and caricatures

These are hand-drawn in digital format from the start. These can then be provided in a variety of file formats to suit your needs, including EPS, PNG, GIF, TIF and JPG. The images can be used for projects such as:

- ✓ T-shirts, hats & apparel
- ✓ Greeting cards
- ✓ Charts, graphs, info graphics
- ✓ Clipart
- ✓ Mugs, mousepads, promotional items
- ✓ Website graphics & icons
- ✓ Profile images
- ✓ Murals & decorations
- ✓ Personalized gifts & awards
- ✓ Clipart
- ✓ Logos & mascots
- ✓ Profile image
- ✓ Single panel & strip cartoons

### Video and multimedia

- ✓ Record your audio & video
- ✓ Edit existing video & audio files
- ✓ Add your branding
- ✓ Add custom titles & motion graphics
- ✓ Upload & organize your online libraries
- ✓ Add titles, descriptions & metadata

*This list may be long, but it's by no means final. If you' have a specific need, contact me and we can discuss your project.*
